SCIENCE

A couple notes when registering for Grade 11 Science:

- Make your best guess which Science(s) you would like to take next year.
- Sometimes taking two Sciences can help you to find your strengths and helps to keep your options open moving into Grade 12 and post-secondary.
- If you wish to take a Grade 12 Science next year (i.e. Bio 20 and Bio 30) you will need to indicate that on your Registration form and we will enter it.
- To do Chemistry or Physics you need to have a solid mark in Math 10C.
- You can go into Science 30 with a passing mark in Science 20, Chemistry 20 or Physics 20

CALM (Career & Life Management)

Grade 11 CALM

Click the edit button to request a course ➡

CALM is a graduation requirement in Alberta. At JCS, CALM is delivered in an online environment via D2L. If you require CALM, please ensure you are choosing it from this pick list.

CALM is a mandatory course for graduation. It is delivered on-line and is worth 3 credits. You will work on it independently during one of the semesters next year.

OPTION COURSES

Grade 11 Options

Click the edit button to request a course ➡

Students in grade 11 must take at least 7 courses throughout the year, which includes the required core courses and only one spare will be allowed. Based on student interest, option courses can complement a student's timetable.

It's a good idea to choose some option courses so that your schedule reflects balance in your Grade 11 year (not all core classes). You are entitled to a spare if you earned **ALL** of your credits (**minimum 40**) in Grade 10.

ALTERNATE OPTION COURSES

Grade 11 Alternative Options

Click the edit button to request a course ➡

Please choose two options courses that are different than the ones selected above just in case we are unable to fulfill your first choices.

You should choose a couple alternate option courses, just in case we are unable to get some of the courses you requested. You must be in a minimum of 7 classes (1 spare).

OTHER IMPORTANT INFORMATION

1. When you are done, all of your choices should appear next to the course selection window and green checkmarks should fill the left hand side 😊

The screenshot displays a course selection interface with three main sections, each representing a required course category. Each section includes a description of the requirement and a list of available courses. Green checkmarks are visible next to the course selections, indicating that the requirements have been met.
