

MOVING FORWARD....

- Gather information to help make an informed decision that suits your learning needs.
- It is recommended you contact more than one alternate learning program.
- It is best to take a recent transcript and/or report card to your appointment. Any other pertinent information (ie. IPP, special reports or assessments), should also be submitted.
- You can make an appointment with your Guidance Counsellor prior to leaving school should you have any additional questions.

CBe-Learn and Career Technology Centre

CBe-Learn provides an online learning program for Calgary students in Grades 1 to 12. CBe-Learn provides:

- personalized, flexible learner pathways
- part-time/full-time/year-round learning opportunities

Students can access courses throughout the school year by choosing the term they want to register.

Located on the same campus, The Career and Technology Centre (CTC) is a registered Skills Canada school. It offers students a way to hone their skills through practical, real-life application. Students have the opportunity to earn industry and post-secondary credentials and dual credit or pre-placement opportunities.

EDUCATIONAL ALTERNATIVES TO A HIGH SCHOOL DIPLOMA

If you have been out of school for at least 10 consecutive months, are 19 years of age as of September 1st, and you don't have the 100 credits needed for an Alberta High School Diploma, you may be able to earn a **High School Equivalency Diploma** (HED) through accumulated credits. Website: <https://www.alberta.ca/education-guide-high-school-equivalency-diploma.aspx>.
